

SEX

THURSDAYS

7 PM 2014

APRIL 10-24

CENTRAL LIBRARY

Stevenson & Hunt
Meeting Room
251 Dundas Street

DRUGS

&

ROCK N ROLL

Western Psychology's Faculty Members will show why the "Sex Drugs and Rock'n Roll" mantra of the 60's refers to much more than pop culture.

Rather, it acknowledges the pursuit of pleasure --hedonism-- with its peaks and perils, as a central part of human nature.

SEX THURSDAY APRIL 10

Dr. William Fisher
The Scientific Study of Sex

DRUGS THURSDAY APRIL 17

Dr. Riley Hinson
Addiction: It's What you Expect

ROCK'N ROLL THURSDAY APRIL 24

Dr. Jessica Grahn
