

<u>Last Name</u>	<u>First Name</u>	<u>Dissertation Title</u>	<u>Year</u>
Adamowicz	Jan Kazimierz	Visual short-term memory and aging.	1971
Adams	Duncan Thomas	Some effects of counsellor expertness and similar self-disclosure on student reactions to an initial interview	1973
Agar	Sharon E.	The effect of accounts on perceptions of procedural justice in the context of managerial dispute resolution	1993
Aharan	Charles Hart	A comparative study of the self- and ideal-concepts of alcoholics and non-alcoholics.	1952
Aharan	Charles Hart	The interdependence of personal and cultural variables in alcoholism.	1966
Akst	Lesley M.	Perceived value threat as a predictor of discrimination toward homosexuals within the legal context	1999
Albin	Jack Ben	Delay and trace eyelid conditioning in normal and retarded individuals : the role of US mode and US intensity	1974
Alejski	Lucia Ludmila E.	The effect of client's expectancies on their perceptions of therapist behavior	1977
Allen	Natalie Jean	Organizational commitment : a three-component model	1985
Altman	Jack Altman	Motivational responses evoked by stimulation of the septal area in the rat.	1969
Altmann	Esther Olga	Social processes in childhood depression	1986
Amos	Nancy Lynn	Preventive health behaviour, sex roles, and locus of control : an integration of theory and research	1994
Anderson	David W.	Organizational culture preference and personality in senior retail managers	1994
Anderson	David W.	Personality, self-efficacy and managerial leadership behaviour	1999
Anderson	Sari M.	Waist-to-hip ratio is positively associated with bioavailable testosterone in healthy premenopausal woman	2003
Anglin-Bodrug	Kristin L. (Kristin Lisa)	Predicting job preferences using personality and job interest measures	2000
Anglin-Bodrug	Kristin L. (Kristin Lisa)	Student evaluation of high school preservice teachers : rating accuracy, formative feedback, and concurrent validity	2005
Armstrong	T. A. (Tamara A.)	Asian versus Western differences in satisfaction with western medical care : the mediational effects of illness attributions	1996
Armstrong	Tamara L.	Integration of new self-aspects into the structure of the self : implications for management of chronic illness	2002
Ashton	Michael C. (Michael Craig)	A comparison of personality item selection strategies	1998
Ashton	Michael C. (Michael Craig)	The validity of adjective self-ratings and of broad factor scales	1994
Atkinson	Brian Russel	Effect of motor activity level and social stimulation on attending behavior in children.	1971
Atkinson	Brian Russel	The effects of verbal pretraining on tactual formboard performance.	1966
Atkinson	M. H. Elizabeth (Mary Helen)	Factors discriminating between technological spin-offs and research and development personnel.	1972
Austin	Gary Wayne	Marital shared problem-solving : conceptualization and assessment	1983
Austin	Gary Wayne	Stereotypes : two definitions, two methodologies	1973
Avrith	Douglas Barnett	The use of colchicine as a reversible neural blocker to investigate hypothalamic and nigrostriatal function in ingestive behaviour and body weight regulation	1976
Aziz	Yvonne Lorainne.	Critical studies in the analysis and interpretation of freehand drawings	1950
Bailey	Heidi Neufeld	Associations between childhood abuse history, unresolved attachment, and trauma symptoms in a high-risk sample of adolescent mothers	2002
Baker	Linda Lillian	Empathy training for forensic patients : microtraining in the cognitive correlate of empathy and counselling skills	1980
Balsom	Rod V. (Rodney V.)	Information processing of health threat stimuli in individuals high in negative affectivity	1999
Bannon	Liam Joseph	An investigation of image scanning : theoretical claims and empirical evidence	1981
Barak	Ilana.	Applying the need for closure framework to information processing in cross-cultural business situations	1997
Barnes	Michael J.	The successful high school learner in profile : a general model of scholastic and psychological characteristics	1990
Barnett	Peter	The depressive personality : a study of dependency, self- criticism, and autonomy	1989
Barnett	Peter	Factors involved in the etiology and maintenance of depression	1985
Barzel	Mor.	Parenting a child with diabetes : the relationship between coparenting and child adjustment.	2008
Batstone	David Wilton	An investigation of children's preferences for token reinforcement and response cost contingencies	1975
Batstone	David Wilton	The use of visual recognition testing in spelling by fourth grade children	1982
Battista	Michael E.	Creativity = Intelligence + Intuition? : The Relationships Between Intuition, Creativity, and Intelligence.	2006
Baxter	Bruce W.	The associative nature of amphetamine place preferences and avoidances	1993
Baxter	Bruce W.	Is smoking automatic? : the role of attention and intention in smoking behaviour	2001
Beaty	Marjorie Jean Mapletoft.	A study of the intellectual ability and vocational fitness of a group of 17 boys of subnormal intelligence.	1950
Beebe	Jamses Gardner.	Lateralization of imaginal and symbolic thinking.	1979
Begg	Ian.	The effect of concreteness on recognition for changes in the semantic and lexical structure of sentences.	1969
Begg	Ian.	Unitary and sequential processes in the recall of phrases.	1971
Beissel	Clara F.	Observations of neglectful mothers and their children : towards an understanding of maternal attributions.	2007
Beissel	Clara F.	The provision of social support within close friendships : the effects of adult attachment	2000
Bell	David W.	Ambivalence and response amplification in intergroup attitudes	1993
Bell	David W.	Ambivalence and response polarization toward native people : a motivational perspective	1999
Bellisario	Lisa Ann	Gender-based processes in parental identification	1999

Bellisario	Lisa Ann	The interactive contribution of fathers in early infancy	1991
Benjafiel	John Grant	Strategies of concept formation used in positive and negative instances.	1964
Benko	Bernadette Furman	Inferential networks in judgments of vocational interests	1977
Benn	Kelly D. (Kelly Dorothy)	Formal modelling of decisional-control preferences and mechanisms underlying stress negotiation	2001
Benn	Kelly D. (Kelly Dorothy)	Validation of a formal model of decisional control and extension to individual differences	1995
Bereziuk	Cheryl M.	Unique processing in face perception	1992
Berg	Kathleen Mary	Conceptual level and degree of structured supervision : implications for microtraining	1977
Berg	Kathleen Mary	The effects of conceptual level, modelling and instructions on training in problem-solving skills	1975
Bergering	Antony John	Effects of magnesium pemoline upon the behavior of rats in a complex water maze.	1967
Bergering	Antony John	An investigation of laryngeal emg activity and its relation to reading	1975
Berry	Glen E.	Emotional processing of faces : are evaluative cognitions necessary ?	1991
Berry	Glen E.	Information processing in anxiety and depression : attentional responses to mood congruent stimuli	1996
Berry	Raymond Grant	A study of the ability of psychotic patients to discriminate color mass	1952
Best	John Kerr	Effects of neural insult on odor preference in the Mongolian gerbil.	1970
Biggs	Terrence Charles.	Pictures, words, and synonymy : representations and processes	1991
Bills	Christine Mary	Recognition memory for sentences as a function of transformational complexity and concreteness.	1970
Bird	Barbara Jean	Differences in achievement motivation in women: the sex-role orientation of the situation.	1972
Bird	Leanne Rosalyn.	Concept learning in pigeons (columba livia) : examining the importance of categorical exemplar comparison	2003
Blackwell	Harold Neil	A study of abstract thinking in paranoid patients.	1951
Blackwood	Penelope A.	Influencing value importance by increasing value accessibility	1991
Blackwood	Penelope A.	The reciprocal relation between values and attitudes	1999
Blair	Nancy Lou	Inferring vocational interest	1977
Bland	Brian Herbert	Diencephalic and hippocampal mechanisms of motor activity in the rat.	1971
Blank	Acia.	Exploring continuity and change in the maternal sensitivity of adolescent mothers.	2006
Bleasdale	Fraser Andrew	Concreteness and imagery in long- and short-term recall	1979
Bleasdale	Fraser Andrew	Processing in verbal and imaginal memory systems.	1971
Bobocel	Ramona.	Escalating commitment to a failing course of action : the effect of choice and justification	1991
Bobocel	Ramona.	The role of uncertainty orientation in systematic and heuristic models of persuasion	1985
Bogaert	Anthony F.	Reproductive strategies in humans : construct validation and predictive utility of the r	1987
Bogaert	Anthony F.	The sexual media : the role of individual differences	1993
Boies	Kathleen.	The impact of leadership, teamwork mental models, and affect on team trust and perceived team performance and viability	2003
Boies	Kathleen.	The influence of work attitudes on manager's intention to accept an international assignment	1999
Boissevain	Michael Douglas	Development and validation of perfectionistic thinking as a psychological construct	1988
Boissevain	Michael Douglas	Information processing in chronic pain : the role of depression	1994
Boisvert	Michael J.	Winter food-caching, feeding, and body weight in relation to social dominance in Black-capped chickadees (Poecile arcticus)	1999
Boisvert	Michael J.	Interval timing by bumble bees, bombus impatiens.	2005
Boisvert	Stephen R.	Featural similarity and the organization of semantic memory	1996
Boksman	Kristine.	Investigating cognitive deficits in drug-naive first-episode patients with schizophrenia using fMRI	2000
Boksman	Kristine.	Investigation of effective connectivity in schizophrenia using functional magnetic resonance imaging and Sternberg Item Recognition Tasks.	2006
Bolla	Patricia Ann	Smoking behaviour : the influence of environmental supports and gender	1984
Boman	Jennifer S.	Outcomes of a graduate teaching assistant training program.	2008
Boman	Jennifer S.	The role of attitude strength and topic knowledge in critical thinking performance	2002
Borja Alvarez	Teresita.	Description of gender-related occupations : gender stereotypes and individual differences	1984
Borja Alvarez	Teresita.	Peer group entry : a focus on the behavior and gender of the entering child and group members	1989
Bourdeau	Patricia Anne	Child sexual abuse and the mother-daughter relationship : moderating effects	1993
Bourdeau	Patricia Anne	Situational determinants of child abuse : an experimental study of parenting competence	1986
Bowes	Andrea E. Andrea Elizabeth)	Biting language and fighting friends : sarcasm in conversation.	2009
Bowman	Elizabeth-Ann Marguerite	The role of a discriminative stimulus & alternative source of reinforcement in generalized imitation	1972
Boyd	J. Edwin	Behavioral and linguistic variables as determinants of social perceptions of the alcoholic	1967
Boyd	J. Edwin	A simultaneous multidimensional scaling of two content universes.	1965
Bradley	J. Peter	Predicting basic military officer training performance with three types of personality measures : self-reports, interviewer ratings and reference ratings	1997
Bradley	J. Peter	Turnover intentions among physicians in the Canadian forces	1989

Branscombe	Nyla Ruth	Effects of hedonic valence and physiological arousal on a second emotional state	1982
Brawn	Clarence Edward	Effects of arousal on short-term retention.	1970
Brawn	Clarence Edward	The validation of a morale scale.	1950
Breen	Harold John	The differential diagnostic technique as a measure of hostility.	1953
Breen	Harold John	A psychological study of freehand drawings	1949
Breiter	Hans Juergen	Depressive cognition in university students : an investigation of two theories of depression	1985
Breiter	Hans Juergen	Goal setting and performance perception in depression	1979
Brewster	Joan Martha	The development of behavioural tolerance to d-amphetamine sulphate in squirrel monkeys working under fixed interval schedules.	1971
Brigham	Margaret Christine.	Age differences in cognitive monitoring	1986
Brinker	Jaylene K. (Jaylene Kim) 19	Cognitive organization, rumination and the congruency effect	2002
Brinker	Jaylene K. (Jaylene Kim)	Dispositional rumination and depressed mood.	2007
Brochu	Paula M.	Old-fashioned and modern prejudice against the overweight : scale development and validation.	2007
Brodeur	Darlene	The effects of multiple primes on a lexical decision task	1988
Brodie	Delbert Arnold	Are effects of serial position and presentation time on free recall mediated by changes in rehearsal?	1973
Broga	Mary Irena	Dimensions of thinking among process and reactive schizophrenics	1975
Broga	Mary Irena	An information processing approach to the study of schizophrenic memory and thought	1979
Bromberg	Barbara Sandra	Social adroitness and perceived status in an experimental bargaining situation.	1965
Brouwers	Melissa C. (Melissa Christine)	Inhibition-confrontation model of coping and uncertainty orientation : individual differences in the disclosure of traumas	1996
Brouwers	Melissa C. (Melissa Christine)	Uncertainty orientation and protection motivation theory : the influence of individual differences on health compliance	1991
Brown	Douglas Lorne	Eidetic imagery and memory for pictures among poor and normal readers.	1967
Brown	Heather Anne	The influence of role, message content and ethnic group membership on person perception and communication.	1968
Brown	Virginia Ruth	Symbolic modeling of social behaviours with isolate and non-isolate preschool children, by Virginia Ruth Brown.	1973
Brown	William Gordon	Novel and familiar stimuli as reinforcement for pre-school children.	1968
Brownlie	Lesley A. (Lesley Ann)	Orientation and the hippocampus of the black-capped chickadee	1996
Bryant	Susan Louise	Consensus, attribution, and bias : developmental considerations	1981
Bryant	Susan Louise	Perceptions of children's moral reasoning	1987
Buhrmann	Oswald G.	The comparison conundrum : social and counterfactual comparisons	1999
Burkell	Jacquelyn Ann	Finishing multiple places in the visual field : evidence for simultaneous facilitation	1993
Burkell	Jacquelyn.	Perception of isoluminant colour changes	1986
Burnham	Priscilla V.	Disentangling automatic and controlled processes in children's attention to negative emotion.	2007
Burns	Joan Elizabeth	Toward the development and validation of a measure of affective self-disclosure	1981
Burns	Susan Martin	The effects of two social play experiences on perspective taking in four and five year old children	1978
Burron	Bryan Fredrick	An analysis of two processes underlying trait inference	1973
Burron	Christina Dawne	Self-instructions and rule-breaking behavior : a replication and functional analysis	1974
Buttrum	Stephen Michael	The use of behavioural rehearsal, modelling and conceptual rules in assertive training.	1972
Buttrum	Stephen Michael	The use of behavioural rehearsal, modelling, projected consequences and cognitive modification in assertive training	1974
Butzer	Bethany L.	Changes in adult attachment over time : the effects of positive and negative interpersonal behaviours.	2008
Butzer	Bethany L. (Bethany Lois-Ar	Self-uncertainty, psychopathology and social comparison : an integrative perspective	2004
Cabrera	Christine Mavie.	The association between anxiety and medication use in adult asthmatics : the mediational role of symptom sensitivity.	2007
Caesar	George Philip	The generalized properties of the interval of delay of a conditioned response.	1972
Callahan	Michael John	The effects of familiarity with target symptoms on reactions to placebos	1982
Callard	R. M. (Rosalind Maureen)	Alcohol expectancies : a modal profile analysis	1991
Callard	R. M. (Rosalind Maureen)	Money beliefs and quality of life or what is money for, if it doesn't buy happiness?	1995
Campbell	Elizabeth Fletcher.	The effects of color in the Wechsler-Bellevue block design subtest and in the Rorschach.	1952
Campbell	John D. (John Donald)	An examination of the impact of context on the comprehension of reversed metaphors	2004
Cane	Douglas B.	Dysfunctional attitudes and vulnerability to depression : implications for stress appraisals and coping	1988
Cane	Douglas Bruce	Depression and the effects of positive and negative feedback on expectations, evaluations, and performance	1982
Cann	David Robert	Habitual susceptibility to misinformation : an examination of individual differences and a source monitoring explanation	2001
Cann	David Robert	Specifying and examining gist components that contribute to false memory.	2008
Canning	Sarah Jane Duff	Sexual differentiation of working memory in humans	2001
Carey	David P. (David Peter Matth	Hand and hemispace differences in the visual control of aiming movements	1994
Carey	David P. (David Peter Matth	The use of retinal image size as a distance cue following lesions of primary visual cortex	1987

Carey	Robert G.	An experimental analysis of restitutional overcorrection and positive practice overcorrection	1979
Carey	Robert G.	An experimental investigation of positive practice overcorrection	1981
Cariglia-Bull	Teresa	Short-term memory as a determinant of imagery strategy effectiveness during reading	1988
Carlson	Kenneth Allen	A multivariate classification of reformatory inmates.	1970
Carruthers	Benjamin Carl	Conditioned inhibition in mentally retarded and nonretarded persons.	1971
Carruthers	Benjamin Carl	Effects of CS duration on classical conditioning of concurrent eyeblink and GSR in mental defectives.	1969
Carruthers	Mary Doreen.	The preference of lobotomized psychotics, non-lobotomized psychotics and normals for the past, present and future.	1953
Carswell	Julie J.	Adult attachment and uncertainty orientation : an investigation of individual differences in relationship satisfaction	1995
Carswell	Julie J.	Securing senior management commitment to organizational change : the role of influence strategies	2003
Carter	Jeffrey R.	Encoding for similarity judgements among paranoid and nonparanoid schizophrenics	1994
Carter	Jeffrey R.	Facial expression analysis in schizophrenia	2000
Cebulski	Larry Anthony	Identification and remediation of children's errors in subtraction	1983
Champagne	Louise	Soothing effects on infants produced by vertical and horizontal rocking.	1969
Chan	Alan Dart Fai.	The Working alliance as a conceptual framework of patient- centredness : the development of the primary care working alliance inventory.	2008
Chan	David Wai-Ock	Inferential judgment and implicit theory of psychopathology	1978
Chan	David Wai-Ock	Mapping trait-inferential relationships in psychopathology	1975
Chan	Paul K. F.	Genetic similarity theory and friendship	1986
Chan	Paul K. F.	The role of personality trait inference in performance appraisal ratings	1991
Chantler	Nancy May.	The discrepancy between perceived and actual social acceptance and its relation to mental health.	1953
Chapman	Craig S. (Craig Stuart)	Obstacle avoidance while reaching : the effect of the size and position of non-target objects on reach movements.	2007
Chateau	Daniel G.	Exposure to print and processing printed words	1996
Chateau	Daniel G.	Spelling-sound consistency effects in disyllabic word naming	2001
Chen	Jia	Parental childrearing attitudes and their relations with social, school, and psychological adjustment in urban and rural-migrant Chinese children.	2008
Cheung	Irene.	Forgiving others : investigating the role of subjective temporal distance.	2007
Childs	Rosemary Ann	Verbal correlates of discrimination learning and transfer in normal and retarded children.	1970
Chiodo	Debbie G. (Deborah Gabriell	Selective information processing biases of food and body shape	2002
Chipman	Karen A. (Karen Anne)	No sex difference on incidental picture memory, despite better verbal memory in women	1997
Chipman	Karen A. (Karen Anne)	Sex differences in the limb praxic function of children and adults.	2005
Cho	Mi-Jin	The on-line influence of distinguishing features of living and nonliving things	2001
Choi	Po Yee.	Effects of film footage and source monitoring on memory for news events.	2010
Chooi	Mandy C. M.	An evaluation of a new screening instrument for coronary risk factors	1992
Chovaz McKinnon	Cathy J.	Relationship representations of deaf adults	1998
Chrisjohn	Roland D.	A substantive approach to the state-trait distinction in anxiety	1981
Chrisjohn	Roland David.	Curiosity and observational learning	1977
Christie	David Paul	Police intervention in domestic crises	1977
Chung	Janet	The contextual effect of the peer group on the relation between aggression and social adjustment in children	2004
Chung	Janet.	The social functioning of the peer group : contextual effects on social, school, and psychological adjustment in Chinese children.	2009
Cioé	Jan Don Domenico	The effects of frequency, wave form, and charge on the rate of self-stimulation of the lateral hypothalamic-medial forebrain bundle region of the rat.	1972
Cioé	Jan Don Domenico	Electrically elicited feeding : dissociation from 'natural' feeding and catecholamine involvement	1978
Clark	Gail Louise.	Parental influences on masculinity of adolescent career aspirations	1977
Clark	James Michael	The effect of a dynamic recall process on proactive interference.	1970
Clark	James Michael	Synonymity and concreteness effects on free recall and free association : implications for a theory of semantic memory	1979
Clark	Ron	Formal semantics and pragmatics of belief	1988
Clayton	Joan P.	Individual differences in functions of erotic fantasy and implications for the use of fantasy in clinical practice	1988
Clayton	Joan Patricia	Uncertainty orientation, sex role identity and performance in achievement situations	1981
Clegg	William Crispin	A comparative study of the use of colour in the drawings of poorly adjusted and well adjusted children.	1951
Clément	Richard	Ethnicity, deservedness and contextual formality in humor	1974
Clément	Richard	Motivational characteristics of Francophones learning English : predictive and descriptive aspects	1976
Clow	Kimberley A.	Challenging the pervasiveness of sex and race categorisations : looking at the mental representation of familiar others	2002
Clow	Kimberley A.	Developing group stereotypes from descriptions of group members : an individual difference approach	1998
Clunis	Dana Merilee	Acquiescence : an experimental analysis.	1966
Cohen	Murray	Eidetic imagery and oral comprehension	1975

Cohen	Sharon	The influence of competition on children's response to success and failure.	1969
Colby	Catherine Anne	Evaluating memory deficit in the aged : investigation of a methodological artifact	1976
Colby	Catherine Anne	Memory deficit in moderately depressed university students	1982
Cole	Mark Randall	The frustration effect as a function of interoceptive and exteroceptive cues in a Skinner box analogue of the double runway.	1969
Cole	Mark Randall	An investigation of the partial reinforcement acquisition effect using a discrete-trial lever-pressing response.	1972
Collier	John Donald	Progress in scientific revolutions : the problem of semantic incommensurability	1984
Collins	David Wesley	Difficulty and dimensionality in mental rotation	1997
Colman	Frank Douglas	Pupillary dilation and mediating processes in paired-associate learning.	1968
Colman	Frank Douglas	Response to different types of electric shock stimuli in the rat.	1966
Conlin	Donna Rosalyn	The effects of word imagery and signability in the paired- associate learning of the deaf.	1972
Conway	John Barrett	Aversive conditioning and self-management in the control of smoking	1974
Conway	Paul J. (Paul Joseph)	Is there a boundary to morality or justice?: a deservingness perspective on donations to charity.	2008
Cook	John Joseph	Pain threshold and muscular effort.	1958
Cosentino	Angela Martia	Naturalistic observations of social and non-social behaviors in preschoolers with low levels of social responsiveness, by Angela Maria Cosentino.	1975
Coulombe	J. Aimée.	Sleep problems, fatigue, and psychopathology in a representative sample of Ontario children.	2005
Coutts	David Charles	Need achievement and the effects of monetary incentives on risk taking.	1967
Covin	Roger.	Changing self-schema organization using an evaluative conditioning procedure.	2008
Covin	Roger.	Mood regulation and personality vulnerability to depression	2002
Crawford	Debra Dorothy	Paediatric premedication : implications for immediate and post- hospital adjustment	1976
Crawford	Patricia Joan	Anxiety and learning in children.	1964
Cree	George S.	An attractor model of lexical conceptual processing : statistical feature relationships and semantic similarity priming	1998
Cree	George S.	Exploring the factors underlying the structure and computation of the meaning of concrete nouns : constraints imposed by category-specific semantic deficits	2002
Crinklaw	Linda Diana	Inferential sets and attribution of responsibility for an accident.	1971
Cristi	Carolina	Priming regular words with regular and irregular primes : phonological inhibition and output facilitation	1995
Cromien	Mary Carole	The relation of neocortical EEG to movement in rats, treated with either atropine or phenothiazines.	1971
Csapo	Kalman Geysa. 1941-	The effects of presentation rate and item attributes on paired- associate learning.	1968
Csapo	Kalman Geza	Stimulus attributes, presentation rate and coding in short term memory.	1971
Cullen	Joseph Angus	Simultaneous conditioning in Psychotics.	1968
Cummings	Anne L.	Ego development and its relationship to adult education	1983
Cummings	Anne L.	The relationship of cognitive style to social problem solving and empathy in counselors-in-training	1986 [ie 1987]
D'Ailly	Hsiao Hsiu-hui	The effects of self-referencing in the processing of linear ordering relations	1991
Dale	Robert Howard Ingleby	The role of vision in the rat's radial maze performance	1979
D'Amico	Catherine M.	Evidence for different subgroups of adextrals based on cerebral speech lateralization and ability patterns	1986 [ie 1987]
Dance	Kathryn Ann	Content, consolidation, and automaticity of self-schema processing : the impact of depression and vulnerability levels	1985
Dance	Kathryn Ann	Psychological well-being : personality and social role perspectives	1991
Danchuk	Tracy	The relationship of self-efficacy, attributions, socialization, and values to women's math	1993
Danso	Henry A.	Superior test performance : reasserting group dominance under threat of competition from outgroup members	2001
Davidson	Paul Richard	Intrinsic interest and extrinsic reinforcement : testing the overjustification hypothesis in ongoing reinforcement systems	1976 [ie 1977]
Davidson	Paul Richard	Maintained generalized matching-to-sample in the squirrel monkey	1974
Dawe	Claudia Elizabeth	Self-attitudinal reinforcement and inter-personal attraction as a function self-esteem.	1971
Dawson	Debra L.	An investigation of student participation and student-teacher interaction in the case method classroom	1994
Dawson	Debra L.	Learning style in relation to measures of academic achievement and interest : an evaluation of Kolb's model	1986
Dawson	Michael Robert William	The relationships between a contrast model of metaphor comprehension and multidimensional responses to metaphor	1982
Dawson	Michael Robert William	Using relative velocity as a natural constraint for the motion correspondence problem	1986
De Luca	Dorothy Marie	A comparison of the hypothesis-testing and associationist experimental paradigms in concept identification under programmed and random instance orders.	1968
Dennison	Zoe	The effect of kynurenic acid, a non-specific antagonist of excitatory amino acids, on kindling and motor behavior in the rat	1988
Dennison	Zoe	An examination of the persistence of kindling, a model for neural plasticity	1993
Denton	Kathy.	Dressing old wounds : excuse-validation and other forms of social support	1992
DeOliveira	Carey Anne (nee Waters)	Understanding the function of emotions within the framework of attachment organization	2001
Derry	Paul A.	The self as a content-specific schema for the processing of personal information in clinical depression	1981
Derry	Paul Allan	Effects of assertive training with cognitive adjunct treatments on assertive behavior and attributional processes	1977
Desjardins	Alfred Lionel	L'essai d'une etude de style de l'Abatis de Felix-Antoine Savard	1976

DesLauriers	Austin T. (Austin Thomas)	Self perceptions and smoking behavior	1983
DeSouza	Amanda T.	Childhood inhibition and experience in the context of peer interactions.	2006
DeSouza	Amanda T.	Children's peer interactions in cultural context : social initiations and responses of shy-anxious children in Canada and China	2001
Desrochers	Alain	Bicultural excursion programmes : correlates and consequences	1976
Desrochers	Alain	Effects of an imagery mnemonic on the acquisition and retention of French article-noun pairs	1980
Desroches	Amy S. (Amy Suzanne)	How noise affects phonological processing in dyslexia : evidence from eyetracking	2004
Desroches	Amy S. (Amy Suzanne)	The temporal dynamics of phonological processing in typical development and in developmental dyslexia.	2008
Destun	Lisa M.	Phenomenological characteristics of real and imagined memories : the impact of event valence and individual differences in absorption	1994
Destun	Lisa M.	Realness perceptions of real and made-up stressful childhood events : effects of elaboration and individual differences	2000
Devantier	Sarah Lynn Lesowski.	The effects of expertise on physicians' use of goal-oriented categories.	2008
Devolder	Patricia Anne	Adult age differences in metacognition : monitoring and motivational beliefs	1988
Devolder	Patricia Anne	Practical problem-solving ability in adulthood : the influence of experience and intelligence	1984
Dietsche	Peter Herman Joseph	Olfactory influences on behaviours associated with hypothalamic stimulation.	1971
Digdon	Nancy Linda	Conditional and biconditional interpretations of if-then sentences : the role of content and context	1986
Digdon	Nancy Linda	Picture and imagery effects on preschoolers' recall of long passages	1982
Dilley	Marcia Grace	Aural-verbal and pictorial S-R modes in paired associate learning in young children	1967
Dilley	Marcia Grace	Verbal and non-verbal memory in children	1975
Dindoff	Kathleen M. (Kathleen Marie)	Recruiter impressions of potential for job-specific and organizational fit in résumé screening : three field studies	1999
DiPasquale	Glenn William	The effects of colour and form on the apparent motion- metacontrast relationship.	1971
DiPasquale	Glenn William	An examination of the sequencing difficulties of poor reading children	1979
Doan	Frank Mellor.	Santayana's theory of spiritual freedom.	1947
Dobbin	James Patrick	Individual differences in the appraisal of stress and the immunologic consequences : psychological moderation of lymphocyte activation and cytokine production	1990
Dobbin	James Patrick	Metamotivational dominance as a moderator of the effects of stressors on cortisol and secretory-immunoglobulin A	1986
Dobson	Deborah J. Gora	Concept formation and short-term memory in paranoid and nonparanoid schizophrenics	1978
Dobson	Deborah J. Gora	"Markers" of vulnerability and episodes in paranoid and non paranoid schizophrenics	1984
Dobson	Keith Stephen	Assessing the interface between anxiety and depression : the development and application of the differential anxiety and depression inventory	1980
Dobson	Keith Stephen	Group differences in cognitive appraisal of, and reactions to, varying intensities of ego-threatening stimuli	1977
Doering	Robert William	Effects of septal lesions on drinking induced by electrical stimulation of the lateral hypothalamus	1974
Dolff	Denise Joan Krochak	The effect of stimulus novelty on discrimination learning of nursery school children.	1971
Domoney	Dennis Wilfred	Nonmetric multidimensional scaling: a Monte Carlo study of planned missing data, by Dennis Wilfred Domoney.	1973
Donakowski	Darrell W.	The influence of perceived threat on intergroup attitudes	1994
Duff	Sarah J. (Sarah Jane)	Sun compass orientation by black-capped chickadees	1995
Dufton	Brian Douglas	Changes in the verbal complexity of the inaugural addresses	1979
Dunn	Elaine Margaret	Ordered and free recall of dichotic digits as a function of mode of response.	1972
Durnford	Margaret Jean	Right-left discrimination and right-field effect as signs of reading disability.	1967
Durnford	Margaret Jean	Visual field differences in visual-spatial perception.	1970
Duschner	Petra	Personality traits, androgyny and teaching effectiveness	1983
