

**WESTERN UNIVERSITY**  
**Department of Psychology**  
**INDEPENDENT STUDY FORM**  
**FOR PSYCHOLOGY 3996F or 3997G**

To enroll in a Psychology Independent Study (I.S.) course, the student must be enrolled in the third or fourth year of a Major or Honours Specialization in Psychology or Neuroscience at Western (main campus). The student must also have an “A” average from the previous year and have completed all prerequisites (either Psychology 2820E or BOTH Psychology 2800E AND Psychology 2810). This form must be completed (ALL boxes), signed and returned to Ramona Fudge (SSC 7402).

A written essay of at least 2500 words (excluding references, abstract, and title page) will be due on the ***last day of classes*** for the term in which the course is taken. Without academic consideration, late penalties of 2% per day will apply. Note that the course instructor will assign a second, independent marker for the final essay. Each supervisor will be expected to serve as a second marker for the same number of essays as the number of I.S. students they supervise each term. The independent marker will receive a copy of Page 2 of this form.

***Written products MUST be submitted to TurnItIn on the course website before a grade is submitted.*** A mark must be submitted for each Independent Study course, even though the student may be continuing the project throughout the entire year with two consecutive Independent Study courses. NOTE: GRADES ARE DUE NO LATER THAN ONE WEEK AFTER THE END OF CLASSES.
